FIND THE GOOD. BE THE GOOD. DO THE GOOD.

A Message from the Junior League of San Jose

In a world that often focuses on problems, the Junior League of San Jose invites you to join us in shifting perspective—to find the good, celebrate it, and amplify it through meaningful action.

While International Find the Good Day will be celebrated across all Junior Leagues on Thursday, September 17, 2026, we're excited to host our second annual **Find the Good Day with Junior League of San Jose** brunch and awards ceremony, scheduled for Saturday, September 19, 2026. This special weekend celebration extends the spirit of International Find the Good Day and exemplifies the Junior League of San Jose's commitment to fostering positive change through connection and community engagement.

Our Find the Good Awards continue JLSJ's proud legacy of community recognition, building upon our organization's nearly four-decade tradition of honoring outstanding community volunteers through the Volunteer Recognition Luncheon (1983-2020). With this new event, we're reimagining how we celebrate and amplify the good work happening throughout Santa Clara County while staying true to our commitment to community impact.

We invite your organization to partner with us as we create this transformative event that not only honors those making a difference but also generates resources to further their impact.
